

Contemporary Pointed Pen

Term 3, 2019

Contemporary & Playful Pointed Pen

As we only just touched on our fabulous Contemporary Pointed Pen last term, we'll be starting Third Term with this style - so don't worry if you didn't do last term, you haven't missed out!

We will also be creating some great-looking backgrounds, adding quirky and playful lettering, and learning about composition at the same time.

Suits all levels of experience (including beginners).

Please email enrolment and payment asap to secure a place in your preferred class.

You can pay on-line to:
